

Holy Family Catholic School

Bring Your Own Devices (B.Y.O.D.) Use Policy

Holy Family encourages the use of technology. An electronic device, such as a laptop, tablet, or ereader may be used for **teacher approved use** during the school day and in our after-school program at times indicated by the teacher or program supervisor with the following stipulations:

- If an electronic device is brought to school for student use, the student will be solely responsible for ensuring the device is safe. The student should store the electronic device in their locker when not in use. In the case of students without lockers, the parents may work with the teacher to develop a security plan.
- The student should not allow other students to use it.
- **All electronic device downloads must be done off campus.**

____ We have read the above policy.
