

First Grade Supply List for Ms. Harrison's First Grade Superheros in Training

Important Note: First Grade uses school provided table top caddies for supplies [students will not use a pencil box]. Also, pencils, glue, and watercolors will be classroom community supplies [please do not put your child's name on them].

- White glue sticks (NOT purple, please. White glue sticks are available at any office supply store or Michael's for the same price as purple.)
- Crayola crayons (other brands break more easily and often don't work for our multimedia projects)
- Crayola colored pencils (other brands often break off and jam up our colored pencil sharpeners and waste pencils and class time)
- Scissors - please make sure your child's scissors are not too tiny or too tight. If your student's scissors are too small or too tight, it will make cutting tiresome and their work may suffer.
- Personal pencil sharpener with receptacle to catch pencil shavings.
- washable markers including traditional rainbow colors
- 1 New Crayola Watercolor Paint Set
