Billing and Payment Policy

ANNUAL REGISTRATION FEE: A non-refundable registration fee is due at the time of registration along with payment in full for the first month's prepaid childcare.

PREPAID RATES: Monthly billing is based on an average, rather than actual, number of school days in a monthly billing period, with some months having fewer childcare days than others because of holidays and Christmas or Spring breaks. To receive the prepaid discount there is a minimum requirement of two days per week.

BILLING: The first month's fees are paid when registering for the prepaid childcare program. We will make every effort to bill your FACTS account on the 1st of each subsequent month through May. There will be no charge in June if enrolled in the prepaid childcare program for the full school year. To avoid late fees and/or a disruption of service, payments must be received by the due date.

IDAHO CHILD CARE PROGRAM (ICCP): ICCP provides assistance to low-income families to help pay childcare costs. The purpose of the program is to support families working toward or maintaining employment. Eligibility is based on household size and gross income. You may qualify for assistance if you need childcare because you have a child under the age of thirteen **AND** you:

- Work, attend school, or are part of an approved training program
- Support a foster child, or
- Receive Temporary Assistance for Families in Idaho (TAFI)

More information, including how to apply, is available at [Idaho Child Care Program | Department of Health and Welfare](#).

You may contact ICCP at the Health and Welfare office, 1120 Ironwood Dr, Coeur d'Alene, ID, 83814, or by calling (877) 456-1233. Families receiving childcare assistance must provide an agency award letter at time of registration. **Families receiving ICCP assistance must ensure that ICCP is being billed correctly and must pay their childcare fees in full each month, whether ICCP pays or not.**

General Policies and Procedures

ARRIVALS: Children enrolled in the childcare program must be escorted into the school by a parent or responsible adult in the morning. Your child must be signed in when you drop him or her off for childcare. We are not responsible for children who are enrolled until they enter the school and are signed in by parent or guardian.

DEPARTURES: Your child must be signed out when you pick him or her up unless special arrangements have been made with the childcare coordinator. No child will leave early without written parental permission. Children will only be released to their parent/guardian except in prearranged situations. ID may be requested at pick up.

DISMISSAL POLICY: Children who consistently disrupt the program will be taken through a formal discipline procedure which may result in dismissal from the childcare program. Parents who do not comply with the policies or who consistently disrupt the program will be asked to make other arrangements for childcare.

ILLNESS, INJURY, OR EMERGENCIES: If your child becomes ill and needs to go home, you will be contacted first and arrangements will then be made. In an emergency, care will be provided and you will be contacted immediately. If a 911 call results in ambulance service, parents/guardians will be responsible for the cost.

RESPONSIBILITY: HFCS childcare staff are responsible for children from the time they are signed in by parent/guardian with the coordinator until school starts, and after school hours until they are signed out to parent/guardian at the end of the day.
